OVERVIEW

A PGA Level 3 Associate with a strong background in tournament operations, logistics, and client service, managing more than 140 events annually at Wildfire Golf Club. I bring deep operational expertise from previous roles, including leading Garb, Inc. as Vice President of Finance & Operations and founding Great Divider Golf, where I oversaw production, workflow, and product innovation. In addition to operations, I have years of experience teaching both juniors and adults and helped develop Wildfire's growing junior program. My combined strengths in event execution, business operations, and instruction allow me to support every aspect of a golf facility's success.
